

Butwin Insurance Group  
Founded 1925

**“OPPORTUNITIES ARISE WHEN  
THE RIGHT PEOPLE GET TOGETHER”**

**Mergers, Acquisitions & Partnerships with Butwin**

*“2 AM is a lousy time to find out you chose the wrong insurance broker”*

**It is Not Just About the  
Formula. The Partner You  
Choose Will Determine if the  
Outcome Exceeds or Falls  
Short of Your Expectations**

**We are looking for people and agencies with reputations to merge into ours.** You may retain ownership of your accounts or sell. You may continue working fulltime, part-time or retire. We will provide and manage all back-office services and staffing needs. We will make payments to your existing agency so that you retain the benefits of owning your own company. **We will tailor your responsibilities or retirement around your desires.**

**If you sell,** you will exchange a valuable asset, your business, for another valuable asset, cash.

**If you join us,** we should mutually do so with the realistic expectation that together we will become wealthier over time because we will have better opportunities together than apart.

**We are experts in integration.** Your office will be fully up and running on the 1<sup>st</sup> day of our deal. We have made 8 acquisitions to date: The Pall Agency, Hersh & Braverman, The Gorham Agency, Corak & Guthart, Hamilton, Levy & Miller and The Jackson Agency & Herman E. Wealcatch, Inc.

**Imagine this:** Plenty of markets, no expenses, no employees, no management responsibilities, no production pressures

You have spent the better part of your lifetime building your business. Selling your business or dramatically changing your operations is one of the most difficult decisions in an entrepreneur's life. People sell or merge their business usually only once, in an emotionally-charged atmosphere with multiple pressures coming from different directions. The fact that your decision is so important, both financially and personally, can make the process more, rather than less, prone to error. Mistakes made in the once-in-a-lifetime decision are not reversible. The formula/price is very important, but often it is not the most critical aspect of the transaction. Because the buyer has so much more experience than you at this;

THE MOST IMPORTANT DECISION IS:  
**“WHO DO YOU MAKE A DEAL WITH?”**

**AN ORGANIZATION SUCCEEDS,  
NOT BECAUSE IT IS BIG, OR BECAUSE  
IT IS LONG ESTABLISHED, BUT BECAUSE  
THERE ARE PEOPLE IN IT WHO LIVE IT,  
SLEEP IT, DREAM IT AND  
BUILD FUTURE PLANS FOR IT.**

## **BETTER SERVICE TO YOUR CLIENTS**

- Your clients will get additional expertise, deeper staffing and an overall more professional experience
- There will be more backup when you or others are out of the office
- Faster turnaround from service requests such as Certificates of Insurance and Claims, which are dedicated departments in our firm
- Quicker response time to questions both in and out of the office with the help of State-of-the-Art automation

- CSR 24 for natural disasters and blackouts
- Large screen TVs, video conferencing, conference call-in rooms and signature conference facilities

## **WORK FROM ANYWHERE**

- Because our staff has been setup to work from home for years (several do not even have a desk in our office) the shift to remote working due to Covid had no effect on the level of service to clients or hurt our operations
- We have been open for years when client's need us most...during storms and natural disasters. We were not closed after Hurricane Sandy, for example.
- We currently have full-time remote employees based in China, Florida, Hawaii and throughout New York State

***“WHEN WAS THE LAST TIME YOUR INSURANCE BROKER  
CALLED YOU TO REVIEW YOUR INSURANCE?”***

## **“WHO DO YOU MAKE A DEAL WITH?”**

The integration of your business, honesty, accurate & timely payments, retention, cross-selling, increasing commission and the ability to deal with problems & opportunities are issues that will probably weigh more heavily than ‘the formula’ when determining how much money you earn during the term of the contract and your satisfaction with the deal.

## **HOW DO YOU MAKE THE CORRECT DECISION?**

We believe that interviewing others who were in your shoes will put you in the best position for this decision. We encourage you to ask any person we have previously made a deal with, any current or past employee or any insurance company any question about us. Ask about our performance versus our promises. We will be proud to be judged by their private independent answers.

***IT IS NOT JUST ABOUT THE FORMULA!***

**“WE ALWAYS BEHAVE EXACTLY AS PROMISED, BOTH  
BECAUSE WE HAVE SO PROMISED AND BECAUSE  
WE MUST IN ORDER TO MAINTAIN OUR REPUTATION,  
WHICH WE ARE ENORMOUSLY PROUD OF”**

## *“Give my son your insurance business or I don’t buy meat from you anymore”*

*Rebecca Butwin to Joe Brick, the butcher, 1925*

In 1925 Nathan Butwin’s mother Rebecca threatened to take her business elsewhere if the neighborhood butcher did not buy insurance from her son. Joe Brick became his first client. It was also the first- and only-time extortion was necessary to get or keep a client. Butwin Insurance Group services over 10,000 companies and individuals in our state-of-the-art offices. We always draw on our historic strengths while at the same time abandoning comfortable routines when new opportunities require fresh thinking. Our reputation for honesty, intelligent thinking and being proactive precedes us in a competitive marketplace.

We have been cited in many national and local publications for our accomplishments and expertise. Cablevision’s “Business to Business and Beyond” tagged us as the “Compbusters” for our expertise in Workers Compensation. We have appeared in The New York Times, LA Times, Chicago Sun Times, Bergen Record, Long Island Business News, Accounting Today, CFO Magazine, 201 Great Ideas For Your Small Business, Bloomberg News, and Good Day NY, just to mention a few.
